THE AMADOR VILLA

The Amador is one of three, attached, Villa Home Models in our Linkside at Old Hawthorne portfolio.

The Amador is a 1-story home, with 2 bedrooms and 2 baths. This plan is unique from the other two Villa plans, as it has a more traditional layout, for those who prefer designated spaces for the living room, dining room and kitchen. It is adorned with natural stone and detailed trim on the exterior, with an attractive bungalow look and large front patio. Since it appeals to singles and couples, it's one of our most popular plans.
